REQUEST FOR OUTSIDE PLAN CHECK SERVICE

Date: _____

Plan Check No.: _____

The Milpitas Municipal Code, Section II-1-19.01 requires that prior to the issuance of a Building Permit, plans be reviewed and approved for compliance with Building Code regulations. Presently, the Building and Safety Department does not have the resources necessary to review construction plans and return them to you within your time frame requirements. However, in order to expedite the plan check, plan check services are available from qualified consultants. Please read the information below and if you choose to have your plans checked by an outside consultant, you must follow the procedures outlined below:

- 1) A standard submittal package for a building permit must be submitted to the Building and Safety Department and all plan check fees paid. Refer to the first page of this handout for the submittal requirements.
- 2) Applicant shall choose their plan check consultant from the list provided by the City. See page 2 of this handout for a list.
- 3) Applicant shall contact the consultant directly and make their own arrangements with them, including payment of consultant's fees.
- 4) The Cities standard plan check fees WILL NOT cover the cost of the outside consultant. The City of Milpitas shall not be held liable for any expense related to the outside plan checking services provided by the consultant hired by the applicant.
- 5) The plan check provided by the outside consultant is a service to the applicant by the consultant. The City of Milpitas does not infer or imply that a Building Permit will be issued on the sole basis of a consultants plan check.

I, _____, request that the construction plans I have submitted
(print name of permit applicant or authorized agent)

for _____ located at _____
(print job name) (print job address)

for a Building Permit be checked by an outside plan check consultant for compliance with all codes and regulations including the California Code of Regulations, Title 24. I understand and accept the conditions outlined above.

(applicant's name)

(applicant's signature)

(applicant's address)

(applicant's phone number)
